(2 Positions with BASE Ireland)

No. 1 Project Manager in Regenerative Agriculture

No. 2 Communications/Administrative Coordinator

We're hiring two new team members to join BASE Ireland, as the lead partner in the BASE-Line European Innovation Partnership (EIP) Restoring Soil Health and Enhancing Biodiversity through Regenerative Agriculture. This ambitious 4.5-year project is co-funded by the European Union and the Department of Agriculture, Food and Marine (DAFM). We are looking for a passionate and skilled Project Manager in Regenerative Agriculture and a Communications & Administrative Coordinator to deliver this exciting EIP.

Project Manager in Regenerative Agriculture (Full-Time):

You will lead initiatives focused on regenerative agriculture. You'll be responsible for coordinating various work packages, and managing all reporting to the DAFM for this EIP.

Key Responsibilities:

- Lead and coordinate the project team and the EIP Operational Group.
- Oversee the implementation of all EIP work packages.
- Manage all project reporting (technical and financial) and lead on all DAFM liaison.

Requirements:

- At least six years of project management experience, preferably in farming or the environmental sector.
- Background in agriculture (preferably regenerative agriculture), biodiversity, or sustainable land use.

Salary & Contract: Up to €65,000 per annum with a 4.25-year fixed purpose contract.

Communications & Administrative Coordinator (Part-Time - 3 days per week):

You will be responsible for all communication and administrative functions of the EIP. You'll coordinate stakeholder engagement, including farmer-led workshops and demo days, and manage financial reporting.

Key Responsibilities:

- Manage all communications and administrative functions, and coordinate stakeholder engagement.
- Coordinate all financial recording and reporting.

Requirements:

- At least five years' experience in project administration, media relations and materials development.
- Proficient in digital communication, including website content management.

Salary & Contract: Up to €25,000 per annum with a 4.25-year fixed purpose contract.

BASE Ireland: As Project Lead of the BASE-Line EIP, BASE Ireland is part of a global community of farmers and agricultural professionals, dedicated to advancing the knowledge and practice of regenerative agriculture. We are committed to empowering sustainable farming and enhancing biodiversity across Ireland. Our culture promotes collaboration, innovation, and environmental stewardship. These positions offer a chance to make a significant impact on Ireland's environmental landscape.
